Dear Mr. Patterson:

Enclosed is an additional list of persons whose cases have recently been adjudicated under the National Executive Power (PEN) procedures of the Argentine Government.

In his meetings with Members of Congress last March, President Roberto Viola stated his pledge that the new Argentine Government, once installed, would be determined to gradually resolve the pending PEN cases.

This list brings to 163 the number of individuals either paroled or released from PEN since March of this year.

Sincerely,

Roberto Dalton
